Experience Works, Inc.

Dear Ms. Bridgewater:

Thank you for providing documentation justifying Experience Works' expenditures since July 1, 2015. We understand that this was a cumbersome process, and appreciate your haste in cooperation with providing the needed information. The supporting documentation has been reviewed, and we have determined that all expenditures are allowable under 2 CFR § 200.

Due to agency requirements of federal SCSEP we look forward to reviewing all future required documentation with your invoices moving forward.

Please do not hesitate to contact me should you have any questions or concerns.

Sincerely,

RJ Glantz
SCSEP Program Manager
